Submission: Objection

Comments: 54 parking spaces for the amount of irresponsibly planned dwellings you are planning is unacceptable. Crouch End could come to a halt if this goes ahead. You NEED more parking, less flats (six stories indeed, mostly private, hardly any social housing and most of that no doubt 'exempted' by using your special clause) what are you trying to do to us? You have not allowed enough time for objections and, it seems, have been trying to railroad the residents of Crouch End for some time. I Object in the strongest terms! AW
