

Save town hall

WATCHING the BBC programme Restoration, I became aware that Hornsey Town Hall is under threat. To me this is a tragedy. Aside from the wonderful the baallroom, the theatre became a second home with the birth of the Repertoirs Amateur Dramatic Society.

I am in touch with many of the ex-Reps and know that we would like to help to save the town hall for future generations in any way we can. I would be grateful if the organisers of the "Save the Town Hall Action Group" could contact me as soon as possible. – *Marion Short (Pragnell), Duke Street, Deal, Kent. e-mail. fivetake@aol.com Tel: 01304 366536*
