Looking for town hall partners

IAM writing to let your readers know that Haringey Council is now moving forward on its commitment to restore Hornsey Town Hall and provide community facilities as part of the development of this important site.

We are already working on plans for interim community use of parts of the town hall as they become vacant, and are now seeking to set up a Community Partnership in advance of the Trust, which will assist in the detailed work of putting together a development brief and then selecting a developer, and start preparatory work towards forming a trust.

The intention is to have a membership with skills appropriate to this stage in the process, and anyone interested in applying to be a member of the Com-

munity Partnership is invited to view full details which are available on the council's website, www.haringey.gov.uk/communitypartnership. If you do not have access to the internet contact my support officer Vino Sangarapillai on 020 8489 2687, email vinothan.sangarapillai@haringey.gov.uk.

We are hoping to close applications by April 4, and interviews will be held on April 13 (evening) and 14 April (day). We look forward to working with the partnership to make our shared vision for Hornsey Town Hall a reality.

CLLR RICHARD MILNER
Executive Member for Finance
Haringey Council
